

Why I Do Not Like The Obamas

By Mychal S. Massie

(Re-printed from Mychal-Massie.com)

The other evening on my twitter, a person asked me why I didn't like the Obamas? Specifically I was

asked: "I have to ask, why do you hate the Obamas? It seems personal, not policy related. You even dissed (disrespect) their Christmas family picture."

The truth is I do not like the Obamas, what they represent, their ideology, and I certainly do not like his policies and legislation. I've made no secret of my contempt for the Obamas. As I responded to the person who asked me the aforementioned question, I don't like them because they are committed to the fundamental change of my/our country into what can only be regarded as a Communist state.

I don't hate them per definition, but I condemn them because they are the worst kind of racialists, they are elitist Leninists with contempt for traditional America . They display disrespect for the sanctity of the office he holds, and for those who are willing to admit same, Michelle Obama's raw contempt for white America is transpicuous.

I don't like them because they comport themselves as emperor and empress. I expect, no I demand respect, for the Office of President and a love of our country and her citizenry from the leader entrusted with the governance of same. President and Mrs. Reagan displayed an unparalleled love for the country and

her people. The Reagan's made Americans feel good about themselves and about what we could accomplish. His [Obama's] arrogance by appointing 32 leftist czars and constantly bypassing congress is impeachable. Eric Holder is probably the MOST incompetent and arrogant DOJ head to ever hold the job. Could you envision President Reagan instructing his Justice Department to act like jack-booted thugs?

Presidents are politicians and all politicians are known and pretty much expected to manipulate the truth, if not outright lie, but even using that low standard, the Obama's have taken lies, dishonesty, deceit, mendacity, subterfuge and obfuscation to new depths. They are verbally abusive to the citizenry, and they display an animus for civility.

I do not like them, because they both display bigotry overtly, as in the case of Harvard Professor Louis Gates, when he accused the Cambridge Police of acting stupidly, and her code speak pursuant to now being able to be proud of America. I view that statement and that mindset as an insult to those who died to provide a country where a Kenyan, his illegal alien relatives, and his alleged progeny, could come and not only live freely, but rise to the highest, most powerful, position in the world. Michelle Obama is free to hate and disparage whites because Americans of every description paid with their blood to ensure her right to do same.

I have a saying, that "the only reason a person hides things, is because they have something to hide." No president in history has spent over a million dollars to keep his records and his past sealed. [See Obama's School Records and Columbia Classmate Challenges Obama]

And what the two of them have shared has been proved to be lies. He lied about when and how they met, he lied about his mother's death and problems with insurance, Michelle lied to a crowd pursuant to nearly \$500,000 bank stocks they inherited from his family. He has lied about his father's military

service, about the civil rights movement, ad nauseam. He lied to the world about the Supreme Court in a State of the Union address. He berated and publicly insulted a sitting Congressman. He has surrounded himself with the most rabidly, radical, socialist academicians today. He opposed rulings that protected women and children that even Planned Parenthood did not seek to support. He is openly hostile to business and aggressively hostile to Israel. His wife treats being the First Lady as her personal American Express Black Card (arguably the most prestigious credit card in the world). I condemn them because, as people are suffering, losing their homes, their jobs, their retirements, he and his family are arrogantly showing off their life of entitlement – as he goes about creating and fomenting class warfare.

I don't like them, and I neither apologize nor retreat from my public condemnation of them and of his policies. We should condemn them for the disrespect they show our people, for his willful and unconstitutional actions pursuant to obeying the Constitutional parameters he is bound by, and his willful disregard for Congressional authority.

Dislike for them has nothing to do with the color of their skin; it has everything to do with their behavior, attitudes, and policies. And I have open scorn for their constantly playing the race card.

I could go on, but let me conclude with this. I condemn in the strongest possible terms the media for refusing to investigate them, as they did President Bush and President Clinton, and for refusing to label them for what they truly are. There is no scenario known to man, whereby a white president and his wife could ignore laws, flaunt their position, and lord over the people, as these two are permitted out of fear for their color.

As I wrote in a syndicated column titled, "Nero In The White House" – "Never in my life, inside or outside of politics,

have I witnessed such dishonesty in a political leader. He is the most mendacious political figure I have ever witnessed. (See Obama's Dishonesty) Even by the low standards of his presidential predecessors, his narcissistic, contumacious arrogance is unequaled. Using Obama as the bar, Nero would have to be elevated to sainthood... Many in America wanted to be proud when the first person of color was elected president, but instead, they have been witness to a congenital liar, a woman who has been ashamed of America her entire life, failed policies, intimidation, and a commonality hitherto not witnessed in political leaders. He and his wife view their life at our expense as an entitlement – while America 's people go homeless, hungry and unemployed.”

Who is this Obama?

The Architect of Destruction

By Maureen Scott

Obama comes from a community organizer background where it's us against them. But that's not who we are. And that's not the position the leader of our Nation should take." – Dr. Benjamin Carson

Obama community organizer

Obama appears to be a tormented man who is filled with resentment, anger, and disdain for anyone of an opinion or view other than his. He acts in the most hateful, spiteful, malevolent, vindictive ways in order to manipulate and maintain power and control over others. Perhaps because, as a child, he grew up around family members and mentors who instilled him with an abiding bitterness toward the U.S. That bitterness seems not to have left him.

It is not the color of his skin that is a problem – for anyone in America. Rather it is the blackness that fills his soul and the hollowness in his heart where there should be abiding pride and love for this country.

Think: Have we ever heard Obama speak lovingly of the U.S. or

its people, with deep appreciation and genuine respect for our history, our customs, our sufferings and our blessings? Has he ever revealed that, like most patriotic Americans, he gets “goose bumps” when a band plays “The Star Spangled Banner,” or sheds a tear when he hears a beautiful rendition of “America the Beautiful?” Does his heart burst with pride when millions of American flags wave on a National holiday – or is he moved to sadness and reflection when someone plays “taps” on a trumpet? Has he ever felt the depth of our admiration of the military, as lovers of those who keep America free feel when soldiers march by? It is doubtful – because Obama did not grow up sharing our experiences or our values. He did not sit at the knee of a grandfather or uncle who showed his medals and told of the bravery of his fellow troops as they fought and tramped through foreign lands sacrificing for a cause greater than their own lives. He didn’t have grandparents who told stories of suffering and then coming to America, penniless, and the opportunities they had for building a business and life for their children.

Away from this country as a young child, Obama didn’t delight in being part of America and its greatness. He wasn’t singing our patriotic songs in kindergarten, or standing on the roadside for a holiday parade and eating a hot dog, or lighting sparklers around a campfire on July 4th as fireworks exploded over head, or placing flags on the gravesites of fallen and beloved American heroes.

Rather Obama was separated from all of these experiences. He doesn’t really understand us and what it means to be an American. He is void of the basic emotions that most feel regarding this country and is insensitive to the instinctive pride we have in our national heritage. His opinions were formed by those who either envied us or wanted him to devalue the United States and the traditions and patriotism that unite us.

Obama has never given a speech that is filled with calm,

reassuring, complimentary, heartfelt statements about all the people in the U.S. Or one that inspires us to be better, grateful, and proud that, in a short time, our country became a leader, and a protector of so many. Quite the contrary, his speeches always degenerate into mocking, ridiculing tirades as he faults our achievements ,along with any of his critics, all for the sake of a laugh, or to bolster his ego. He uses his Office to threaten and create fear while demeaning and degrading anyone who opposes his policies and actions. Unlike a secure leader, who has noble self-esteem and not false confidence, Obama displays a cocky, haughty attitude and a dread of being critiqued.

Mostly, his time seems to be spent causing dissention, unrest, and anxiety among the people rather than uniting us (even though he was presented to us as the "Great Uniter"). He creates chaos for the sake of keeping citizens separated, envious, aggrieved and ready to argue. Under his leadership Americans have been kept on edge, rather than in a state of comfort and security. He incites people to be aggressive toward, disrespectful of, and retaliate against those of differing backgrounds and views. Through such behavior, Obama has lowered the standards for self-control and mature restraint to the level of rowdy, street-fighting gangs. When, instead, he should be raising the bar for people to strive toward becoming more considerate, tolerant, self-disciplined, self-sustaining, and self-assured.

Not a day goes by that he is not attempting to defy our laws, remove our rights, over-ride established procedures, install controversial appointees, enact divisive mandates, and assert a dictatorial form of power.

Never has there been a leader of this great land who used such tactics to harm and hurt the people and this country.

Never have we had a President who spoke with a caustic, evil tongue against the citizenry rather than present himself as a

soothing, calming, and trustworthy force.

Never, in this country, have we experienced how much stress one man can cause a nation of people – on a daily basis!

Obama has promoted the degeneration of peace, civility, and quality of cooperation between us. He thrives on tearing us down, rather than building us up. He is the Architect of the decline of America, and the epitome of a Demagogue.

We Cannot Believe President Obama!

By MacPundit

The Face of Deceit

The audacity of mendacity

It's not hyperbole. It's not Internet trash talk. It's simple, old-fashioned fact: We cannot believe President Obama. This is a given for those of us who have paid attention for the past 5 years. Your fearless seeker of truth, your devoted blogger—yours truly—has been reporting on Mr. Obama's astonishingly persistent record of mendacious behavior for what seems like an eternity. It seems that long because until now at least half of the country has had little to no interest in the notion that their president is a remarkably dishonest man. Some even describe him as a remarkably accomplished liar, which of course is to say the same thing but with a refreshingly common voice. Fearless honesty comes to mind.

Maybe, just maybe, things are beginning to change. Maybe Mr. Obama's deceit is becoming ever-so-slightly visible to some of the media hacks who until now have been functionally blind to it. It is a big maybe, though. You see, Mr. Obama has a super human ability to get away with things that most of us mere mortals (with a conscience) would not want any part of. If Bill Clinton is "Slick Willy" and John Gotti was "The Teflon

Don", what's left for Mr. Obama? Slick Willy headed the list of the most dishonest presidents until Barack Obama showed up and took the lead running away. Obama is the absolutely unchallenged champ. It's a blowout. So what do we call him? "Barry The Dodge?"

Sequestration

If you are among the half of the country who are still unaware of our president's history of deceit, you will find ample factual evidence of it on this website. Meanwhile, his most recent and, perhaps, his most ill-deployed attempt to mislead and manage the American people is about his and his administration's handling of "Sequestration" and what it has revealed about him and his political machine.

Mr. Obama's first most flagrant public lie about Sequestration occurred in the third debate of the 2012 Presidential Campaign. Let's watch:

The Washington Post (not overly friendly to Republicans) gave our fearless leader 4 Pinocchios on that one. Why? Because a) The Obama White House did propose it—not Congress as the President claimed. And b) It did happen, contrary to what the President predicted.

Now I must confess to an active sense of skepticism about almost anything Barack Obama says. How could I not? There is nothing equivocal about the facts. Barack Obama has a very long history of deceptive behavior. But if you have any doubts, spend some time here to get informed. You do want to

be informed. Right?

Obama False Statements (Via PolitiFact)

By MacPundit

Well documented false statements made by our Great Leader

These Obama false statements have been documented by PolitiFact. Some may already be listed elsewhere on this site simply because there are so many and our Great Leader shows no signs of slowing down. It is hard to keep up. (These range from 2008 to recent.)

Obama false statements compiled by PolitiFact.

1. "We have doubled the distance our cars will go on a gallon of gas." **False** (Where, exactly, did you

**“If you tell a lie
big enough and
keep repeating
it, people will
eventually come
to believe it.”**

-- Dr . Joseph Goebbels

here that one, Mr.

President?)

2. “Throughout, we have kept Congress fully informed of our efforts” to create a legal framework on counter-terrorism. **False** (You forgot to tell the Members of Congress.)

4. Says Mitt Romney “called the Arizona law a model for the nation.” **False** (One more widely spread “misquote.”)
5. “Under Gov. Romney’s definition ... Donald Trump is a small business.” **False** (Pure fabrication. There never was any such Romney definition.)
6. Because of Obamacare, “over the last two years, health care premiums have gone up – it’s true – but they’ve gone up slower than any time in the last 50 years.” **False** (It had nothing to do with Obamacare and you know it, Mr. President. Or you should know it.)
7. “Over the last four years, the deficit has gone up, but 90 percent of that is as a consequence of” President George W. Bush’s policies and the recession. **False** (You continue to lie about George W. Bush. Shame on you.) See Obama’s Biggest Lie.
8. “Fast and Furious” began under the Bush administration.

False (It was created in 2009 and guess what? You were president.)

9. Mitt Romney “says the Arizona immigration law should be a model for the nation.” **False** (You just can’t help it, can you?)
10. Says Mitt Romney would deny gay people the right to adopt children. **False** (Romney’s words say otherwise.)

13. If the Supreme Court throws out the federal health care law, it “would be an unprecedented, extraordinary step of overturning a law that was passed by a strong majority of a democratically elected Congress.” **False** (It was passed by a slim majority in a corrupt process. Also, it is not unprecedented for the Supreme Court to overturn a law passed by Congress.)
14. “For the first time since 1990, American manufacturers are creating new jobs.” **False** (Not true. Please stop making stuff up.)
15. “Preventive care ... saves money, for families, for businesses, for government, for everybody.” **False** (Wrong in 2009, and wrong today)

“doubled our exports.” **False** (Not even close to the truth.)

19. The president’s proposed budget “will help reduce the deficit by \$400 billion over the next decade to the lowest level since Dwight Eisenhower was president.” **False** (Whew! He has no shame.)
20. Under the White House’s budget proposal, “we will not be adding more to the national debt” by the middle of the decade. **False** (He forgot to tell you about the growing interest on the debt. It is huge!)
21. Twelve judges have thrown out legal challenges to the health care law because they rejected “the notion that the health care law was unconstitutional.” **False** (The truth? Two to two on judges’ decisions on constitutionality. Big difference.)
22. “I didn’t raise taxes once.” **False** (Of course you did. If we had a few real journalists, you couldn’t keep getting away with all these lies.)
23. When President Franklin D. Roosevelt started Social Security, “it only affected widows and orphans,” and when Medicare began, “it was a small program.” **False** (An itchy-bitsy grain of truth here. But the lie is in the intent and he lied once again.)
24. The Bush administration had been “giving (auto companies) billions of dollars and just asking nothing in return.” **False** (Call in the shrinks. Our president cannot stop lying.)
25. “The vast majority of the money I got was from small donors all across the country.” **False** (Big donors bankrolled much of Obama’s campaign.)
26. “We’ve excluded lobbyists from policy-making jobs.” **False** (Except for the ones in policy-making jobs.)
27. When Obama was interviewed by American reporters in Asia, “Not one of them asked me about Asia. Not one of them asked me about the economy.” **False** (Except for the ones that asked you.)
28. Insurers delayed an Illinois man’s treatment, “and he

died because of it.” **False** (Hmm, I guess you forgot to tell the man to die, Mr. President, because the insurer’s decision was reversed and man lived three more years.)

29. Health reform will “give every American the same opportunity” to buy health insurance the way members of Congress do. **False** (I realize that none of you phonies have read the bill but couldn’t you just for once stop lying? You are really setting a bad example for our children. You know, the same children who you have burdened with massive debt.)
30. Preventive care “saves money.” **False** (Covering preventive care for everyone is a net cost.)
31. (No earmarks in spending bill) **False** (They are even there in your dreams.)
32. “If we went back to the obesity rates that existed back in the 1980s, the Medicare system over several years could save as much as a trillion dollars.” **False** (Wrong, wrong, wrong ... and still wrong!)
33. “I have not said that I was a single-payer supporter.” **False** (Oh yes you did and it’s on YouTube.)
34. Stimulus tax cuts “began showing up in paychecks of 4.8 million Indiana households about three months ago.” **False** (How come the 4.8 million Indiana households didn’t notice?)
35. Health insurance companies are “making record profits, right now.” **False** (They’re making profits like they should, but not record profits like you would have us believe.)
36. “We import more oil today than ever before.” **False** (He said this on July 6, 2009 when oil imports were actually down.)
37. “There is no disagreement that we need action by our government, a recovery plan that will help to jump-start the economy.” **False** (There is a lot of disagreement. At least half the country want the government to get out of the way so the private sector can rebuild our economy.)

38. "Senator McCain would pay for part of his (health care) plan by making drastic cuts in Medicare – \$882-billion worth." **False** (Which one of your lackeys told you that, Mr. President? McCain never said it. Later, Obama and the Democrats actually did cut over \$500 billion out of Medicare. Phony is as phony does.)
39. "The centerpiece of Senator McCain's education policy is to increase the voucher program in D.C. by 2,000 slots." **False** (Do you have a secret "Tzar of Lies" or what? Or do you make the lies up all by yourself? It's scary and the media should call you on it.)
40. Under John McCain's health care plan, people get a \$5,000 tax credit to buy a \$12,000 health care policy, and "that's a loss for you." **False** (A major distortion on McCain's policy.)
41. John McCain accused Barack Obama "of letting infants die." **False** (Obama ad is wrong about McCain abortion charge. However the truth is that Senator Obama voted multiple times to defeat a bill that would have saved the lives of babies born alive in botched abortions.)
42. "Oil companies ...currently have 68-million acres that they're not using." **False** (Unused does not mean they are being ignored.)
43. McCain "has opposed stem cell research." **False** (Obama ad is misleading and it distorts McCain's stem cell position.)
44. "But if my opponent had his way, the millions of Floridians who rely on it would've had their Social Security tied up in the stock market this week." **False** (Where did you get that idea, Mr. Obama? It wasn't from John McCain.)
45. "The fact is that although we have had a president who is opposed to abortion over the last eight years, abortions have not gone down." **False** (I know you Liberals hate *real* facts, but the fact is, they went down under George W. Bush.)
46. Oil companies "haven't touched" 68 million acres where

they already have rights to drill. **False** (68 million acres isn't going untouched. You keep on making this stuff up and I'll do my best to expose you.)

47. Fully inflating tires is "a step that every expert says would absolutely reduce our oil consumption by 3 to 4 percent." **False** (Not on this planet but there are millions of suckers who believe whatever you say, and that is why you just keep making this stuff up. I was taught to call it lying. How about you?)
48. John McCain refuses to support a new bipartisan energy bill "because it would take away tax breaks from oil companies like Exxon Mobil." **False** (McCain has not commented on the bill at all.)
49. The U.S. government spends less on energy innovation "than the pet food industry invests in its own products." **False** (Pure baloney! What we should spend research money on is how stop our leaders from lying to us.)
50. "Our National Guard, as we saw in the Midwest flooding, can't function as effectively as it could. I was talking to National Guard representatives. Fifteen of their 17 helicopters in this region were overseas during the flooding." **False** (There was no shortage of helicopters for floods. I really wish you would resign. It is truly awful having such a grossly dishonest president of my country.)
51. "I think we came down here (to Florida) one time ... but we weren't actively fund-raising here." **False** (Obama held fundraisers.)
52. "I have never said that I don't wear flag pins or refuse to wear flag pins." **False** (Obama contradicts his previously stated pin philosophy.)
53. "We are bogged down in a war that John McCain now suggests might go on for another 100 years." **False**
54. "Hillary Clinton believed NAFTA was a 'boon' to our economy." **False** (She never said it.)
55. "As has been noted by many observers, including Bill

Clinton's former secretary of labor, my plan does more than anybody to reduce costs." **False** (Experts rate Dem plans about the same.)

56. "She said, you know, 'I voted for it, but I hoped it wouldn't pass.' That was a quote on live TV." **False** (That's not the actual quote.)
57. Americans "have never paid more for gas at the pump." **False** (He needs a fill-up on statistics.)
58. "I know that Hillary on occasion has said – just last year said this (NAFTA) was a boon to the economy." **False** (There is no evidence she said that.)
59. "Gas prices have never been higher, and Exxon Mobil's profits have never been higher." **False** (He's a year too late on this energy claim.)
60. "If we went back to the obesity rates that existed in 1980, that would save the Medicare system a trillion dollars." **False** (He just makes it up.)
61. "John wasn't this raging populist four years ago" when he ran for president. **False** (Edwards tagged 'populist' early on.)
62. "Right now, an employer has more of a chance of getting hit by lightning than be prosecuted for hiring an undocumented worker. That has to change." **False** (Lightning strikes, but not like the feds.)
63. If African-Americans vote their percentage of the population in 2008, "Mississippi is suddenly a Democratic state." **False** (By itself, black voter increase does not flip Mississippi & mdash; or the South.)
