

Why I Do Not Like The Obamas

By Mychal S. Massie

(Re-printed from Mychal-Massie.com)

The other evening on my twitter, a person asked me why I didn't like the Obamas? Specifically I was

asked: "I have to ask, why do you hate the Obamas? It seems personal, not policy related. You even dissed (disrespect) their Christmas family picture."

The truth is I do not like the Obamas, what they represent, their ideology, and I certainly do not like his policies and legislation. I've made no secret of my contempt for the Obamas. As I responded to the person who asked me the aforementioned question, I don't like them because they are committed to the fundamental change of my/our country into what can only be regarded as a Communist state.

Mychal S.
Massie

I don't hate them per definition, but I condemn them because they are the worst kind of racialists, they are elitist Leninists with contempt for traditional America . They display disrespect for the sanctity of the office he holds, and for those who are willing to admit same, Michelle Obama's raw contempt for white America is transpicuous.

I don't like them because they comport themselves as emperor and empress. I expect, no I demand respect, for the Office of President and a love of our country and her citizenry from the leader entrusted with the governance of same. President and Mrs. Reagan displayed an unparalleled love for the country and

her people. The Reagan's made Americans feel good about themselves and about what we could accomplish. His [Obama's] arrogance by appointing 32 leftist czars and constantly bypassing congress is impeachable. Eric Holder is probably the MOST incompetent and arrogant DOJ head to ever hold the job. Could you envision President Reagan instructing his Justice Department to act like jack-booted thugs?

Presidents are politicians and all politicians are known and pretty much expected to manipulate the truth, if not outright lie, but even using that low standard, the Obama's have taken lies, dishonesty, deceit, mendacity, subterfuge and obfuscation to new depths. They are verbally abusive to the citizenry, and they display an animus for civility.

I do not like them, because they both display bigotry overtly, as in the case of Harvard Professor Louis Gates, when he accused the Cambridge Police of acting stupidly, and her code speak pursuant to now being able to be proud of America. I view that statement and that mindset as an insult to those who died to provide a country where a Kenyan, his illegal alien relatives, and his alleged progeny, could come and not only live freely, but rise to the highest, most powerful, position in the world. Michelle Obama is free to hate and disparage whites because Americans of every description paid with their blood to ensure her right to do same.

I have a saying, that "the only reason a person hides things, is because they have something to hide." No president in history has spent over a million dollars to keep his records and his past sealed. [See Obama's School Records and Columbia Classmate Challenges Obama]

And what the two of them have shared has been proved to be lies. He lied about when and how they met, he lied about his mother's death and problems with insurance, Michelle lied to a crowd pursuant to nearly \$500,000 bank stocks they inherited from his family. He has lied about his father's military

service, about the civil rights movement, ad nauseam. He lied to the world about the Supreme Court in a State of the Union address. He berated and publicly insulted a sitting Congressman. He has surrounded himself with the most rabidly, radical, socialist academicians today. He opposed rulings that protected women and children that even Planned Parenthood did not seek to support. He is openly hostile to business and aggressively hostile to Israel. His wife treats being the First Lady as her personal American Express Black Card (arguably the most prestigious credit card in the world). I condemn them because, as people are suffering, losing their homes, their jobs, their retirements, he and his family are arrogantly showing off their life of entitlement – as he goes about creating and fomenting class warfare.

I don't like them, and I neither apologize nor retreat from my public condemnation of them and of his policies. We should condemn them for the disrespect they show our people, for his willful and unconstitutional actions pursuant to obeying the Constitutional parameters he is bound by, and his willful disregard for Congressional authority.

Dislike for them has nothing to do with the color of their skin; it has everything to do with their behavior, attitudes, and policies. And I have open scorn for their constantly playing the race card.

I could go on, but let me conclude with this. I condemn in the strongest possible terms the media for refusing to investigate them, as they did President Bush and President Clinton, and for refusing to label them for what they truly are. There is no scenario known to man, whereby a white president and his wife could ignore laws, flaunt their position, and lord over the people, as these two are permitted out of fear for their color.

As I wrote in a syndicated column titled, "Nero In The White House" – "Never in my life, inside or outside of politics,

have I witnessed such dishonesty in a political leader. He is the most mendacious political figure I have ever witnessed. (See Obama's Dishonesty) Even by the low standards of his presidential predecessors, his narcissistic, contumacious arrogance is unequaled. Using Obama as the bar, Nero would have to be elevated to sainthood... Many in America wanted to be proud when the first person of color was elected president, but instead, they have been witness to a congenital liar, a woman who has been ashamed of America her entire life, failed policies, intimidation, and a commonality hitherto not witnessed in political leaders. He and his wife view their life at our expense as an entitlement – while America 's people go homeless, hungry and unemployed.”

We Cannot Believe President Obama!

By MacPundit

The Face of Deceit

The audacity of mendacity

It's not hyperbole. It's not Internet trash talk. It's simple, old-fashioned fact: We cannot believe President Obama. This is a given for those of us who have paid attention for the past 5 years. Your fearless seeker of truth, your devoted blogger—yours truly—has been reporting on Mr. Obama's astonishingly persistent record of mendacious behavior for what seems like an eternity. It seems that long because until now at least half of the country has had little to no interest in the notion that their president is a remarkably dishonest man. Some even describe him as a remarkably accomplished liar, which of course is to say the same thing but with a refreshingly common voice. Fearless honesty comes to mind.

Maybe, just maybe, things are beginning to change. Maybe Mr. Obama's deceit is becoming ever-so-slightly visible to some of the media hacks who until now have been functionally blind to it. It is a big maybe, though. You see, Mr. Obama has a super human ability to get away with things that most of us mere mortals (with a conscience) would not want any part of. If Bill Clinton is "Slick Willy" and John Gotti was "The Teflon

Don", what's left for Mr. Obama? Slick Willy headed the list of the most dishonest presidents until Barack Obama showed up and took the lead running away. Obama is the absolutely unchallenged champ. It's a blowout. So what do we call him? "Barry The Dodge?"

Sequestration

If you are among the half of the country who are still unaware of our president's history of deceit, you will find ample factual evidence of it on this website. Meanwhile, his most recent and, perhaps, his most ill-deployed attempt to mislead and manage the American people is about his and his administration's handling of "Sequestration" and what it has revealed about him and his political machine.

Mr. Obama's first most flagrant public lie about Sequestration occurred in the third debate of the 2012 Presidential Campaign. Let's watch:

The Washington Post (not overly friendly to Republicans) gave our fearless leader 4 Pinocchios on that one. Why? Because a) The Obama White House did propose it—not Congress as the President claimed. And b) It did happen, contrary to what the President predicted.

Now I must confess to an active sense of skepticism about almost anything Barack Obama says. How could I not? There is nothing equivocal about the facts. Barack Obama has a very long history of deceptive behavior. But if you have any doubts, spend some time here to get informed. You do want to

be informed. Right?

Election 2008 Was A Serious Mistake. We Must Not Repeat It!

By MacPundit

Four more years of Obama could destroy America beyond repair.

The fact that Election 2008 was a serious mistake is clear to all honestly informed observers. What is important is that we do not repeat it.

By now the same honestly informed observers at least suspect that President Obama is the most dishonest president in U.S. history. This website alone has documented more than 160 untruthful statements made by Mr. Obama. You can also find 80 solidly documented broken promises here, which may be a record. Add incompetence and radicalism to his dishonesty and we can easily see why his presidency has been such a disaster. But we elected the most unqualified candidate in U.S. history.

So what did we expect?

The election of Barack Obama was a fluke.

I believe that honest historians will view the election of Barack Obama as an aberration, a fluke. They will describe a time in which many Americans—especially the youth and the ideologues—had become so politically ignorant, so socially shallow, or so politically rigid that they were unable to grasp the seriousness of a presidential election. Instead they were enticed by the notion of electing our first Black president and by the seductive rhetorical skills of Barack Obama. It was a popularity contest, an exercise in superficiality—a perfect environment for an accomplished demagogue.

Of course what is done is done and it will take many years to reverse the damage that has been inflicted upon us by Mr. Obama's radicalism and mismanagement. As a result of the unprecedented amount of debt he has placed on us, we are now facing economic Armageddon. Our standing in the world has suffered as well. Simply put: We are no longer viewed as Great America. In fact, more than one world leader has referred to President Obama as being an amateur or naïve, among other unflattering descriptors.

No more mistakes please!

We simply cannot afford another four years of Barack Obama. If anyone reading this does not fully understand the seriousness of our current situation then please spend some time on this website. The facts are here. This is not a Republican or Democratic problem. It is a national problem and in five short days we absolutely must get it right. It is not an exaggeration to say that our nation is in deep trouble and we are running out of time.

A Time For Wisdom

Regardless of what Barack Obama tells us, the truth is that all things considered, we are far worse off than we were four years ago. And as someone correctly said, "To re-elect Barack Obama would be like the Titanic intentionally backing up to hit another iceberg."

Is Obama The Most Dishonest President In History?

Obama may hold the record for presidential dishonesty!

By MacPundit

ANOTHER UPDATE: (Add this one to the one below.) On November 11, 2013 I devoted an entire post to President Obama's most publicly noticed lie. It is of course his declaration that "If you like your healthcare plan you can keep it." He repeated it at least forty times. It is his most publicly noticed lie because, contrary to what he said, over 5 million Americans have thus far lost the healthcare plans they liked and wanted to keep.

UPDATE: When this article was originally posted in May, 2012, there was enough information available to classify President Obama as the most dishonest president in U.S. history. Since then, however, his dishonesty has become so rampant that many who might have been reluctant to speak out, now are. Even worse for the president, many are now convinced that he is a pathological liar. In fact this website alone now has an entire category within which are many articles that document Mr. Obama's deceit. You can see a list at the end of this

article.

Politicians and journalists don't like to use the "lie" word. Instead, they use words like "misspoke" or "disingenuous" or "inaccurate" in order to avoid calling someone a liar. And that is appropriate and fair sometimes because we can't always be sure if someone is being intentionally dishonest. But sometimes people do lie, intentionally. We all know this is true. So when the President of the United States tells well-documented falsehoods and persistently repeats them, it would be foolish and naive to think he is simply making honest mistakes time after time, speech after speech. After all, the president has a huge staff who are constantly fact checking for him. So I'm calling it like I see it.

President Obama is a very convincing speaker but he begs the question: Is Obama the most dishonest president in history? The shocking truth is that he tells lies in virtually every speech he makes. It is hard to keep up with his lies because he adds new ones almost daily! Of course that may be part of his strategy—to overwhelm us with them so we don't have time to keep up. This is not a Republican or Democrat problem; it is a very serious problem for all Americans.

Below are 65 well documented lies. Even worse, he continues to repeat many of them as though he thinks no one is listening. The first 13 can be found in Barack Obama's best-selling book, *Dreams From My Father*. Some of the others go back to the Obama – McCain 2008 election campaign. He's been lying for a very long time.

THE LIES

1. He claimed his white grandfather Dunham, who was a communist sympathizer, signed up for duty "the day after Pearl Harbor." Well, he did at least sign up—six months later.
2. He has repeatedly claimed the same grandfather "fought

in Patton's army." But his grandfather was a clerk and never saw combat.

3. He claimed his father "fought when he got back to Kenya against tribalism and nepotism, but ultimately was blackballed from the government." In fact his father fought against capitalism and lost his job when he advocated for communism.
4. He has said many times that his late mother's health insurer refused "to pay for her treatment" for cancer while citing a "pre-existing condition." But the health insurer, Cigna, actually paid all her hospital bills and never denied payment.
5. He claimed that he and a black high school friend named "Ray" were ostracized in Honolulu. But the friend, Keith Kakugawa, was half-Japanese, and they did not experience discrimination.
6. He claimed the father of his Indonesian stepfather was killed by Dutch soldiers while fighting for Indonesian independence, when in fact the story turns out to be "a concocted myth in almost all respects," Washington Post editor and biographer David Maraniss reported.
7. He claimed his parents decided to marry during the excitement of the Selma civil-rights march of 1965, which gave him "a claim on Selma." The problem is, his parents were married several years before the Selma march. (See The Obama Fairy Tale)
8. He claimed his father was able to study in the U.S. because of President Kennedy's efforts to bring "young Africans over to America." The truth: The Kenyan airlift that brought his father here was in 1959 when Eisenhower was president.
9. He actually submitted a phony biography to his book publicist, which claimed that he was "born in Kenya." (Of course later when some people questioned if he was born in the U.S., he came up with a birth certificate from Hawaii. So which is it? Either way, he lied.
10. He denied that he was ever a member of the socialist New

Party. But a roster of members of the Chicago chapter clearly lists him as having joined on Jan. 11, 1996.

11. He claimed that Weather Underground terrorists Bill Ayers and Bernardine Dohrn were merely casual acquaintances. In fact they were neighbors and they held a fundraiser for him in their living room to help launch his political career. Later, they hosted a barbecue for then Senator Obama in their backyard. He also served on a board of directors with Bill Ayers and worked with him on various projects. (See Obama Lied About Bill Ayers)
12. After having attended the church of Rev. Jeremiah Wright for 20 years, Obama claimed he never heard the Reverend spew anti-American invectives during that entire time. But apparently he forgot he said he was moved to tears hearing Wright in a sermon condemn "white folks" and the U.S. for bombing other countries. In fact, he named his second book after that very same sermon.
13. He claimed he got into a "big fight" with a white girlfriend named Genevieve Cook. He said after they had seen a black play together, she asked "why black people were so angry all the time." When interviewed and asked about it, she said she never saw the play or made the remark.
14. "Under the Romney/Ryan budget, interest rates on federal student loans would be allowed to double." – **FALSE!**

23. Under President Barack Obama, the United States has "doubled our exports." – **FALSE!**

25. Under the White House's budget proposal, "we will not be adding more to the national debt" by the middle of the decade. – **FALSE!**
26. Twelve judges have thrown out legal challenges to the health care law because they rejected "the notion that the health care law was unconstitutional." – **FALSE!**

65. If African-Americans vote their percentage of the population in 2008, "Mississippi is suddenly a Democratic state." – **FALSE!**

As noted earlier, it is hard to keep up with President Obama's lies because he adds new ones almost daily! Whether you are a Democrat or a Republican, I am sure you agree that this is not only shameful, it is a reflection on our nation. Our president doesn't limit himself to occasional little white lies, he tells some real whoppers! Must we spend our valuable time fact checking our own president? Yet if we don't, how can we know when he is telling us the truth? What does this teach our children?

Right now as this is being written our president is telling the world that the Republicans are waging a war against women, young people, the middle class, and others. Yet every single one of those charges are false – not just a little false – but absolutely FALSE!. He knows it and everyone who is paying attention knows it, yet he keeps right on saying them.

So how does he get away with it? First, the media are not telling us the truth about President Obama. Most of them are Democrats and they protect him. They put their political party above the truth, which means they put their self interests before the welfare of our country – before our welfare.

Sadly, this only scratches the surface. By any normal and fair standard it is not an exaggeration to say that President Obama's presidency has been a national disaster. Our national debt, which if not dealt with quickly will inevitably destroy us. Yet, President Obama is not dealing with it. In fact, he is making it worse, much worse, and we are running out of time. Check back here for another article on that.

But for now, please consider carefully what you have read here. If you have any doubts about its accuracy, you are urged to do your own research. It is not that difficult. It is amazing how quickly one can find honest information through Google. Just be sure that you choose unbiased sources. However if you agree with what you read here, for the good of our country and for your own good, forward this to everyone you can. Our nation is in deep trouble and our future depends on each and everyone of us.
