

Election 2008 Was A Serious Mistake. We Must Not Repeat It!

By MacPundit

Four more years of Obama could destroy America beyond repair.

The fact that Election 2008 was a serious mistake is clear to all honestly informed observers. What is important is that we do not repeat it.

By now the same honestly informed observers at least suspect that President Obama is the most dishonest president in U.S. history. This website alone has documented more than 160 untruthful statements made by Mr. Obama. You can also find 80 solidly documented broken promises here, which may be a record. Add incompetence and radicalism to his dishonesty and we can easily see why his presidency has been such a disaster. But we elected the most unqualified candidate in U.S. history. So what did we expect?

The election of Barack Obama was a fluke.

I believe that honest historians will view the election of Barack Obama as an aberration, a fluke. They will describe a

time in which many Americans—especially the youth and the ideologues—had become so politically ignorant, so socially shallow, or so politically rigid that they were unable to grasp the seriousness of a presidential election. Instead they were enticed by the notion of electing our first Black president and by the seductive rhetorical skills of Barack Obama. It was a popularity contest, an exercise in superficiality—a perfect environment for an accomplished demagogue.

Of course what is done is done and it will take many years to reverse the damage that has been inflicted upon us by Mr. Obama's radicalism and mismanagement. As a result of the unprecedented amount of debt he has placed on us, we are now facing economic Armageddon. Our standing in the world has suffered as well. Simply put: We are no longer viewed as Great America. In fact, more than one world leader has referred to President Obama as being an amateur or naïve, among other unflattering descriptors.

No more mistakes please!

We simply cannot afford another four years of Barack Obama. If anyone reading this does not fully understand the seriousness of our current situation then please spend some time on this website. The facts are here. This is not a Republican or Democratic problem. It is a national problem and in five short days we absolutely must get it right. It is not an exaggeration to say that our nation is in deep trouble and we are running out of time.

A Time For Wisdom

Regardless of what Barack Obama tells us, the truth is that all things considered, we are far worse off than we were four years ago. And as someone correctly said, "To re-elect Barack Obama would be like the Titanic intentionally backing up to hit another iceberg."
